Summer To Do List

As school comes to an end and summer begins, I want you all to consider and try to do some of the following:

- 1. READ!** Try and read something at least 15-20 minutes per day. Books, magazines, online. Just READ.
- 2. REVIEW!** Try and review basic knowledge over the summer. States/Capitals, Landmarks, Math Facts, Trivia.. Keep your brain active!
- 3. REINVIGORATE!** Learn something NEW! Travel, watch the news, take up a hobby, learn a new skill. TRY NEW THINGS!
- 4. RUN!** Be active! Walk, swim, bike, run, play sports..
- 5. REFRESH!** Relax, sleep in, rest, and have FUN!
